Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing 19 references to be considered by the Examiner. Copies of the references are not submitted.

The references cited herein correspond to patents and pending applications that, similar to the present application, claim a priority benefit under Section 120 of U.S. Pat. No. 6,157,850. The Applicants understand that the Examiner has access to sophisticated online Patent Office computing systems that provide ready access to, for example, specification and drawing publications, pending claims and complete file histories, including, for example, cited art, office actions, responses, and notices of allowance. However, if the Examiner determines that any of the foregoing references are of interest or of particular importance to the present application claims, and the Examiner cannot readily access such reference(s) through the foregoing computing systems, the Applicants will to the best of their ability provide such reference(s) at any time upon specific Examiner request.
